

# Paradise Kindergarten

TERM 1 2019

13.03.2019

## Me and my Body!

- This term via email we have attached our "Sun care policy"
- Created a display of our Healthy eating policy with healthy food ideas and suggestions.
- Parent input forms in your pockets about what we are currently exploring.
- Inclusion about "Bony Bodies."
- Twilight kindergarten

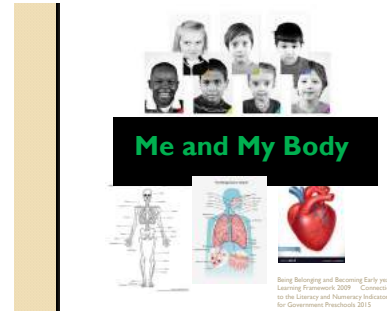

### LOST PROPERTY

Please do check the lost property box and collect your child's belongings.

This term we have been exploring 'Me and my Body', which has supported our thinking about how the body works and has supported us to build relationships with children and families as we talk about our feelings, create self portraits and build on our child protection curriculum practices. We would like to thank all the families/ parents who shared their ideas and provided feedback and input into the program . Our curriculum and program is richer and more meaningful because of it. Our dramatic play area has changed from a home corner to a doctors and is now a vets. We have also this term explored book making with the children and have had An early years Literacy Consultant come out and visit to extend this learning . We have been on one local walk and will be going for another walk in week 9. We are excited about our upcoming Incursion about " Bony Bodies' as well as sharing what we do at Twilight Kindergarten with our special person.

There has been lots of cooking , playing and our roof on our play platform should be all finished by week 10.

Having a weather proof outdoor structure will support us to provide shade and enable us to set up spaces that can be left overnight. We would like to extend an invitation to any parent/ caregiver who would like to share their interests, hobbies with the children . The last Day of term will be the 9th April Tuesday for the Koalas and the 11th April Thursday for the kookaburras. **We will be back in term 2 the week starting 29th April.**

### Diary Dates

#### Incursion "Bony Bodies"

19th March Koalas

20th March kookaburras

#### Pupil Free Day

21st March Thursday

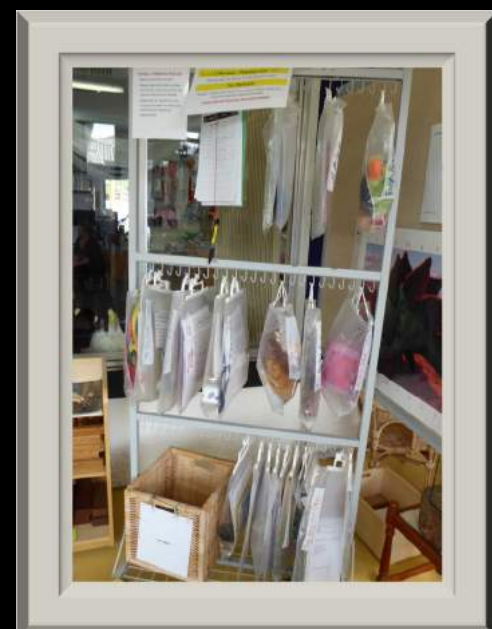

#### Twilight Kindergarten

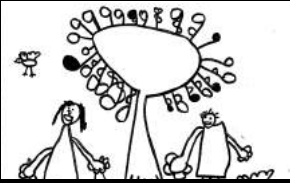

2nd April Koalas

## Literacy and Numeracy Kits

We have Numeracy and literacy kits for families to borrow. These kits have been developed to engage in a range of literacy and Numeracy experiences. The props provided are used to support this thinking and learning. We encourage parents/caregivers to use these kits with the children. Do not use the props as toys. Please do sign the kits out in the name of the Kit, the number and initial when you borrow them. Please return them on the sign out sheet provided.

Please check that all the props are in the bag before returning them to the basket labeled 'Returns.'

# Our Curriculum Board that Parents and caregivers added to.

We have set up a community table and would love to share any excess produce with our community . Please do bring in any fruit or vegetables that you would like to share .  
Thank you

We would also like to remind Parents to please communicate information or have any concerns. In term 2 we provide an individual 15 minute parent/educator conversation for all families to have an opportunity to discuss your child's learning . We are happy to meet with any families at any other time and we hope to keep the channels of communication open , respectful and confidential.
