

End of year 2022 PARADISE KINDERGARTEN

Dear Parents and caregivers,

We would like to thank all the families and children for their engagement with the curriculum, our community events and most importantly developing partnerships and relationships with us as staff and all the other families at Paradise Kindergarten. We have had so many highlights for this year and we focus on how resilient we are as a community as we navigated Covid 19, but still managed to develop a sense of community and connection through it all.

We have had each term's inquiry contributed to my family, children and staff

Term 1 What is a family?

Term 2 Map my world

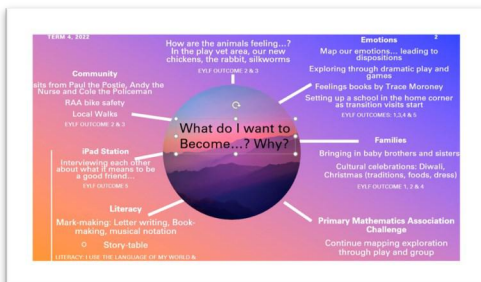

Term 3 Why is that so?

Term 4 What do I want to become and why?

Our Kindergarten was one of the finalists in the Public Education Award- Leader of the year with the focus firmly on the team and our site and the use of Music education strategies.

We have had our stage 2 redesign of our climbing area and have had excursions and incursions and our 3 big community events: Street Play 2022, Twilight Kindergarten and our Christmas and end of year concert 2022

We would like to mention all the Governing Council members who participated in decision-making around the kindergarten and attended 8 meetings this year to support staff to provide the best outcomes for all children at Kindergarten. We would like to wish all the families and children all the best as they continue their learning at school and have a great Christmas and end of year break.
